To ensure you understand whether the product is suitable, please read the key investor information document (KIID) and the prospectus. CCLA strongly recommends you seek independent professional advice prior to investing. The PSDF does not rely on external support for guaranteeing the liquidity of the fund or stabilising the net asset value. The risk of loss of principal is borne by the investor. Holdings are subject to change. Past performance is not a reliable indicator of future results. The value of investments and the income derived from them may fall as well as rise. Investors may not get back the amount originally invested and may lose money.
